

CITY & THE SEA  
EVERYTHING SEEN TO

DMC PARTNERSHIPS

SEVEN OFFICES. ONE HOUSE.

# EGYPT, *SEEN TO.*

They arrive as your clients.  
*We make Egypt feel entirely their own.*

From the moment your guests  
arrive in Egypt, they are in our care.

Every arrival, room, table, transfer and  
experience is considered before it is  
needed, with a team on the ground  
and a country we know by heart.

# PEOPLE WHO KNOW THE PLACE.

*Not simply guides. Not outsourced representatives.*

Our team is made up of people who know these cities intimately — the histories behind them, the people within them, and the details that rarely make it into an itinerary.

- Archaeologists with a lifetime of knowledge.
- Logisticians trusted with the most exacting movements.
- Concierge minds that remember a preference from one journey to the next.

*And when something is needed, there is always someone on the other end of the phone.*

ONE BRIEF, SHARED BY EVERYONE  
***MAKE EGYPT FEEL AS THOUGH  
IT HAD BEEN EXPECTING THEM.***  
EVERYTHING ELSE FOLLOWS

Our relationships extend across Egypt's most celebrated hotels, from Four Seasons, St. Regis and Ritz-Carlton to desert camps far beyond the usual route.

# THE RIGHT PLACE *TO CALL HOME.*

BECAUSE A HOTEL SHOULD NEVER FEEL LIKE A ROOM ADDED TO AN ITINERARY.  
*IT SHOULD FEEL LIKE PART OF THE JOURNEY.*

# ALWAYS *IN STEP.*

Airport meet-and-greet from the aircraft door.  
Armoured or discreet arrangements, when required.  
Mercedes-Maybach, V-Class and Coaster fleets on standby.

Every vehicle is new.

Every driver is known to us

Every movement is planned  
with precision.

We don't simply move people.  
We protect their rhythm.

But the measure of a good transfer  
is not the car.

*IT IS NEVER HAVING TO  
THINK ABOUT IT.*

# SEVEN OFFICES. ONE WAY OF DOING THINGS.

CAIRO · LUXOR · ASWAN · SHARM EL SHEIKH · HURGHADA · EL GOUNA · SIWA

Physical offices across every gateway your guests may need.  
No sub-agents. No layers between the request and the person making it happen.

From arrival to departure, every detail is handled by teams  
already on the ground, with local knowledge and direct  
responsibility for the journey.

*Egypt, made remarkably easy.*
